Power Dollars.

One day of every month Power Pizzeria will have a spirit night for your school. Spirit nights can be any night Mon-Thur. On the designated Spirit night Power Pizzeria will donate a percentage of the total sales that came from your school. Below is how the program works

- 1 Power Pizzeria together with your school will predetermine one school night per month with school.
- 2 Power Pizzeria will coordinate with school to get a list of homeroom teachers.
- 3 When parents/students order they must mention the school and homeroom teacher that they belong to.
- 4 The homeroom with the highest order will win a FREE pizza party from Power Pizzeria.
- 5 Power Pizzeria will record and total all orders from school, and donate a percentage of the orders to the school.

This program can work by homeroom or by individual grade level.

Student Incentives.

Student incentives are available to schools participating in our fundraising program.

Donations.

Power Pizzeria will donate gift certificates per semester to be raffled or given away at different school functions.
